After you fill in the registration information, you can log in using your email address as your username and the new password you selected.

You will then be directed to the dashboard where you can apply for media credentials.

When you click on “start a request” you will be taken to the credential request wizard that will guide you through the process. Your first time in, you will need to sign off on the media regulations (there will be a pop up screen), check the box you agree and continue. Click yes in the attending column for each staff member and select the appropriate credential type.

You should receive an automated email response as you have in the past, letting you know your request was received. Once your request is processed, you will receive another email telling you whether your credential request was approved or denied.

If you need to add staff or edit an existing staff member:

When one person is applying for credentials for a group of people from a single media outlet, the list of staff should be available in the attending column if they were entered into our current media credential website.

To add a new staff member or edit their profile to add a headshot, click on the menu button at the top left of the screen and choose **staff management**.

PHOTO REQUIREMENTS

Photos must be:

- JPG or Bitmap format (.jpg or .bmp extensions)
- Larger than 50KB in size, but smaller than 1MB
- A minimum of 480 X 640 pixels
- Full color

You may be asked to provide a new photo if it contains one or more of the following:

- Hat or head covering (religious head covering is exempt)
- Eyes closed or dark/sunglasses. Must be able to see eyes clearly
- Blurry/Pixelated
- Too dark/light
- Stretched

If you need to resize a photo, a simple way to do that is open the photo in Paint, click resize, click pixels and change one of the numbers either up or down depending on if you need to make the photo larger or smaller (480 x 640 is the minimum). Save the photo as a jpeg.
